My Advance Care Plan

MyDirectives makes it easy to create a state-of-the-art advance care plan. You can answer questions in your own words or pick from a selection of the most common answers.

Add your thoughts with as much detail as you wish. You can even add your own video responses.

My HCA & Contacts

Adding someone as your Health Care Agent (HCA) is important to ensure they can voice your wishes if you are unable. MyDirectives has made this process easy for you and your HCA.

Add or update your contacts and keep them notified by setting their communication preferences.
